PUBLIC NOTICE

IMPORT TRADE CONTROL

SUBJECT.—Principles governing the issue of Import Licences for July-December 1949.

**No. 1(23)I.T.C./49.**—The following decisions made by the Government of India governing the issue of licences for imports of goods falling under Parts II to V of the Import Trade Control Schedule for the licensing period July-December 1949 are hereby published for general information.

These decisions do not affect goods falling under the Capital Goods and Heavy Electrical Plant Licensing Schemes, applications for the import of which will continue to be dealt with in accordance with the procedure prescribed in the Ministry of Commerce Public Notice of the 10th April, 1948, as amended by Public Notices dated the 13th August 1948 and the 10th November 1948, which notices are reproduced in Appendix 'A'.

**2. Income-tax Verification Certificates.**—As already announced in the Public Notices dated the 8th January 1949, 18th March 1949, and the 27th May 1949, applications for import licences from applicants, other than those specifically exempted, will not be considered unless the applicant has furnished certificates of Income-tax Verification in the prescribed form or has applied for exemption from the production of Income-tax Verification Certificate and has obtained the necessary registration number from the licensing authority concerned. The Public Notices and the form prescribed thereunder are reproduced in Appendix 'B'. Applicants (whether individuals or Companies) who have already obtained Registration Numbers will not be required to get their certificates registered again for the current period. The classes of applicants who are exempt from the need to conform to this procedure have been indicated in the Public Notices. It should be noted that even applications for items which were previously licensed liberally and which will now be licensed subject to essentiality and monetary ceiling cannot be considered unless the requisite Income-tax Verification Certificate Registration Number or Income-tax Certificate Exemption number is furnished.

**3. Grouping of countries in relation to currency for the purpose of licensing imports during July-December 1949 will be as follows:—**

**A. Dollar Area.**

- (i) U.S.A. and any territory under the sovereignty of the U.S.A.
- (ii) Canada (including New Foundland).

- (iii) Other American Account countries consisting of Bolivia, Colombia, Costa Rica, Cuba, Dominican Republic, Ecuador, Guatemala, Haiti Islands, Honduras, Mexico, Nicaragua, Panama, the Philippine and Venezuela.

*B. Hard Currency Area.*

- (i) Argentina.  
(ii) Belgium and her possessions.  
(iii) Japan.  
(iv) Paraguay.  
(v) Switzerland.  
(vi) Western Germany (US/UK/French zones).

*C. Medium Currency Area.*

Portugal and her possessions (excluding Portuguese India).

*D. Soft Currency Area.*

All other countries excepting the Union of South Africa.

*E. Union of South Africa.*

4. *Imports from Soft Currency Areas.*—Open General Licence No. XV applicable to the imports from Sterling and other soft currency countries was cancelled on the 25th August 1949. A revised Open General Licence No. XVI was issued in substitution thereof and continues to be in force.

O.G.L.X. is applicable to imports from Pakistan. In other respects imports from Pakistan will be governed by the same procedure and regulations as imports from other sterling countries.

5. *Imports from Portugal and her possessions (excluding Portuguese India).*—As regards imports from these countries licences will generally be granted on the same basis as imports from soft currency countries indicated hereafter, but for this purpose past imports from Portugal and her possessions only (excluding Portuguese India) will be taken into consideration.

6. *Imports from the Union of South Africa*—No licences will be granted for imports from the Union of South Africa.

7. *Imports from Switzerland.*—The principles adopted for the licensing of imports from Switzerland have already been notified in Public Notice No. 28/49 CCI dated the 8th June 1949, which is reproduced as Appendix 'C'. These will continue to be followed except that (a) licences for machinery items, which were previously licensed liberally will now be granted on the basis of essentiality and subject to monetary limit and (b) persons or firms who have already secured their full year's quota licence during January-June 1949 will not be granted any further licences.

8. *Imports from Japan.*—The licensing policy for imports from Japan has not yet been decided and a separate Public Notice will issue after a decision has been taken in the matter. Meantime no applications for licences for any items should be made.

9. *Imports from Belgium and her possessions, Argentina and Paraguay.*—Only applications for the import of essential items of machinery or raw materials not available from soft and medium currency countries will be considered. These will be decided on the merits of each case.

379

10. *Imports from Western Germany (US/UK/French Zones).*—Licences granted for imports from Western Germany will be generally for the articles covered by the Indo-German Trade Agreement (Appendix 'D').

11. *General.*—Appended to this Public Notice is a statement (Appendix 'E') which shows in a tabular form the licensing policy in respect of imports from the Dollar area, Western Germany, Switzerland and Soft currency countries. This tabular statement read with paragraph 5 will indicate also the licensing policy in respect of medium currency countries. Importers are requested to study the position carefully and refrain from making applications for import licences for articles which are not to be licensed.

12. In view of the limited availability of foreign exchange the licensing of all articles is subject to monetary ceilings. Applicants for import licences have, therefore, to justify fully the import of the articles required from abroad. Articles have, therefore, been listed in three categories (I) articles for which no licences will ordinarily be granted, (II) articles whose import will be licensed subject to quota based on past imports and (III) articles which will be licensed only if the import is justified *ad hoc* by the applicant and then only to the extent to which import is considered essential. In the case of articles falling under category (III) the determining consideration will not be the past imports by the applicant but the essentiality of the import, the over-riding consideration being always the availability of foreign exchange. Licences will not be issued for goods when these or suitable substitutes thereof are available in reasonable quantity from indigenous sources or from stocks in the country. Requests for Import licences from dollar and hard currency countries will need the further justification that the article to be imported or a suitable substitute thereof is not available from soft currency countries.

In the case of certain articles, there are bilateral trade agreements entered into by India with individual countries providing for the imports into India of such articles but it has not been considered necessary to license the import of these articles from any other country. In such cases licences will be issued for the import of the article in question only from the particular country.

13. *Procurement of licences in advance of shipment of goods.*—Importers are advised, in their own interest, not to make any firm commitment with foreign suppliers or arrange for the shipment of any licensable goods without first obtaining the necessary import licence. In the case of licensable goods the test will be whether the goods are covered by a license valid on the date of shipment. Unauthorised imports are liable to be severely penalised *vide* Press Note issued by the Government of India on 16th July 1949 (Appendix 'F').

14. *Period of validity of licence.*—All licences will be valid for shipment made within six months from the date of issue of licence except where otherwise specified. The period of validity will be specified on each licence. A period of 15 days grace in respect of licences will be generally allowed, unless otherwise notified, for the purpose of facilitating shipments, but it should be noted that this cannot be claimed as of right. Further, no Letter of Credit can be opened against a licence during the period of grace immediately following its expiry.

15. *Limiting factor*—Importers should note that unless otherwise specified, the c.i.f. value shown on the licence will be the limiting factor for purposes of clearance of goods from the Customs. Orders should be so placed and adjusted that the c.i.f. value of the goods on arrival does not exceed that shown in the licence.

16. *Form of application.*—Application for import licences should be made, in the form, Appendix 'G' and all the information required therein should be

accurately furnished. Any application which is not made in the prescribed form and manner or which does not furnish all the relevant information required in this form is liable to be summarily rejected. Applicants are requested to study the general rules for submission of applications (Appendix 'H') carefully and send each application separately with relevant documents by Registered Post, Acknowledgement Due. Applications sent to an incorrect authority cannot be considered to have been validly submitted.

17. *Date for receiving applications.*—All applications except from newcomers will be received upto the 10th December, 1949. No application for the current half year received after that date will be entertained.

18. *Authorities to whom applications should be made.*—Applications for import licences for articles comprised in Part V of the I.T.C. Schedule should be made to the Chief Controller of Imports, New Delhi. In addition, applications will be received by the Chief Controller of Imports, New Delhi, direct for the items enumerated in Appendix 'K' covered by Part IV of the I.T.C. Schedule. Except for the articles mentioned in Appendix 'K' applications for imports of all articles covered by Part IV of the I.T.C. Schedule should be made to the Import Trade Controller at the Ports where similar goods were imported by the applicants in the past during the basic period.

Applications for import licences for articles included in Parts II and III of the I.T.C. Schedule should be made unless otherwise indicated, to the Deputy Chief Controller of Imports, Calcutta and Bombay respectively. (Note—Applications for textile machinery and accessories falling under Part III should be made to the Deputy Chief Controller of Imports, Bombay in triplicate.)

19. *Application from Actual consumers.*—Where goods are licensable and are required as raw materials or accessories for use in industrial concerns, applications from actual consumers will receive consideration. Actual consumers who can conveniently do so should send their applications on a yellow form or with the words "Actual Users" in block letters in red ink on the top of the applications, since this will facilitate early consideration of their application. They should clearly specify in their application their past estimated consumption of the article concerned, as required in Item No. 8 of the prescribed form, and send along with the application a certificate from either the Director of Industries of the Province where the factory is situated or from the Director General of Industry and Supply, New Delhi, showing their manufacturing capacity and their actual requirements of the article concerned. Firms who have received actual consumer licences in the preceding half year may send a copy of any certificate of that period from the Provincial Director of Industries or from the Director General of Industry & Supply or refer to the previous applications with which original certificate was sent.

20. *Applications for imports of raw materials for certain industries.*—Tyre Manufacturers, Electric Lamp Manufacturers, Fan Manufacturers, Radio Manufacturers, Cycle Manufacturers, Battery Manufacturers and Manufacturers of Electric Motor and Transformer should submit to the Chief Controller of Imports, a consolidated application separately for each country of supply to cover their requirements of all imported raw materials etc. needed by them for their own manufacture. Such an application should give a detailed list of the articles required and their value and should cover the applicant's requirement of all materials falling under Parts II to V of the Import Trade Control Schedule and of non-ferrous metals other than tin falling under Part I of the Schedule. In respect of these materials no separate applications need be sent to the various licensing authorities for the different commodities. In the case of other goods falling under Part I and those falling under Part VI, applications should be sent to the appropriate licensing authority as usual.

The paragraph above applies to those whose manufacturing process includes the making of some essential components in India and not to those who merely assemble imported components.

21. *Conditions subject to which licences to actual users will be granted.*—Licences to actual consumers of raw materials and accessories will be issued with the following conditions endorsed on them:—

“This licence is issued subject to the conditions that the goods will be utilised only for consumption as raw materials or accessories in the licence holder’s factory and that no portion thereof will be sold to or permitted to be utilised by any other party”.

22. If any actual user to whom a licence has been issued subject to the above conditions, is found to have infringed the conditions of the licence, such licensee will be liable to be debarred from getting any licences in future.

23. *Applications from Established importers.*—For licensable commodities applicants who have imported these commodities in the past should specify their past imports of the articles falling under the particular Serial Number of the I. T. C. Schedule applied for, during any one complete financial year between 1937-38 and 1948-49, both years inclusive. The statement of past imports should be supported by:—

- (i) The quota certificate issued by the licensing authority concerned during January--June 1949 or, in case the latter has not been subsequently amended, the quota certificate issued during July—December 1948, or
- (ii) Triplicate copies of the Customs Bills of Entry for Home consumption,
- (iii) Postal declaration forms or Customs duty receipts with relevant invoices and Bank Drafts; or
- (iv) a certificate by a Registered or Chartered Accountant certifying in prescribed form the total c.i.f. value of the imports made by the applicant in the particular financial year.

24 It will be open to the licensing authority concerned to call for original Bills of Entry in any particular instance in lieu of the acceptance of the evidence of the quota certificate or the certificate given by the Registered or Chartered Accountant.

25. *Calculation of quotas.*—Established importers will be granted licences in accordance with the quota calculated on the basis of their past imports. These quota percentages will be notified by the licensing authorities concerned.

For imports from dollar areas quota licences will be granted on the basis of imports of the same goods from dollar areas.

Similarly in fixing a quota for imports from West Germany and Switzerland, past imports from West Germany and Switzerland alone will be taken into account for calculation of quotas.

For imports from soft currency countries the total imports in one year from all sources can be taken into account for purposes of calculation of the quota provided the item is one shown in this Public Notice as licensable from Soft Currency countries only.

26. *Minimum value of quota licences.*—No quota licences will be granted in cases where the quota found admissible on calculation is less than Rs. 250 in the case of imports from dollar or hard currency areas or less than Rs. 500 in the case of imports from soft currency areas.

27. *New Comers applications.*—A separate notice in the latter part of this Public Notice (Appendix ‘R’) lays down the procedure for receiving applica-

tions from newcomers, i.e., importers other than those specified in paras. 19 and 28 above.

28. In respect of the goods for which newcomer applications have been invited the minimum licence to be issued to an established importer will ordinarily be not less than Rs. 1000 provided the established importer's past imports in one year have not been less than that amount.

29. *Applications from displaced firms & persons.*—Applications in respect of any goods falling in part IV of the I.T.C. Schedule from those who had import business in the past in Karachi and Chittagong and who are now residents of the Dominion of India should be submitted to the Chief Controller of Imports, New Delhi, unless they have imported the article in question during 1948-49 into a port in the Dominion of India and desire to base their claim for a licence on the imports during 1948-49 and not on their imports in an earlier year through a port now falling in Pakistan.

If they desire to base their claim on the imports during 1948-49 into an Indian Port they should apply to the Import Trade Controller at that port except in respect of items in Appendix 'K'.

If they do not choose the last mentioned alternative they should apply to the Chief Controller of Imports, New Delhi, forwarding the quota certificate granted by that officer during July—December 1948 and endorsed during January—June 1949. The quota certificate without endorsement may be forwarded if the firm had not applied for a licence during January—June 1949 and it is satisfactorily explained why no application for the latter period was made. Such applicants should also give their Refugee Registration number or Camp Commandant's Certificate or other evidences to show that they were actual residents of areas now included in Pakistan.

30. No applicant should claim a quota licence from the Office of the Chief Controller of Imports on the basis of a quota certificate issued during July—December 1948, or January—June 1949 as well as from the Import Trade Controller at the Port or other licensing authority, on the basis of imports during 1948-49. Only one licence should be claimed whether on the basis of the quota certificate or on the basis of imports during 1948-49, if that is the firm's best year for such imports.

Firms found to have claimed two licences on this basis from the same or different authorities will be liable to forfeit all claim to receive any licences in future.

31. *One application only for the same commodity from the same group of countries.*—A firm or individual cannot ordinarily put in more than one application for goods falling under the same Serial No. and from the same group of countries, whether the applicant is an established importer or a new comer or an actual user or falls in more than one of these categories. Serious notice will be taken if any applicant infringes this rule. In case of imports of the goods falling under same Serial No. from different countries in the same Group details of imports desired from each country should be shown preferably in a sheet attached to the same application.

However, there is no objection to a batch of applications being made simultaneously giving cross references in each to the other applications made.

A branch of a firm cannot separately apply as a new comer when the head office is applying for a licence either as an established importer or as a new-comer.

32. *Applications for licences for items formerly covered by O. G. L. XV.*—A special procedure has been prescribed for items which were on O. G. L. XV but have not been retained in O. G. L. XVI. This may be seen at Appendix 'S'.

GOVERNMENT OF INDIA

## MINISTRY OF COMMERCE

## PUBLIC NOTICES

*New Delhi, the 10th April 1948***Revised Scheme for Licensing Imports of Capital Goods**

**No. 21(17)-ITO-48(I).**—The Government of India have reviewed the scope of the Capital Goods licensing procedure, in the light of the experience gained on the working of that procedure. It has been decided that, subject to the provision of paragraph 2 below, the following goods classified under Parts II, III, V and VI of the Import Trade Control Schedule should be regarded as falling under the Capital Goods licensing scheme:

## (a) PART II.

*Serial No. 36:* All goods included in Serial No. 36(1), 36(2), 36(3) 36(4) and 36(5).

*Serial No. 37:* 37(1): the following goods, namely:—

Looms, Sewing thread balls making machines, Cumbli finishing machinery, and tape looms.

37(2): Component parts of machines, etc., specifically mentioned above.

## (b) PART III.

*Serial No. 4:*—All goods included in Serial No. 4(1), 4(2), 4(3), 4(4), and 4(5).

*Serial No. 5—5(1):* the following goods namely:—

Looms, tape looms, wool carding machines, wool spinning machines, hosiery machinery, coir mat shearing machines, coir fibre willowing machines, silk looms, silk throwing and reeling machines, silk twisting machines, cumbli finishing machinery, cotton carding and spinning machines and combor boards.

5(2): Component parts of machines etc. specifically mentioned above.

## (c) PART V.

*Serial No. 65:* All goods included in Serial No. 65(1), 65(2), 65(3), 65(4) and 65(5).

## (d) PART VI. All items.

2. The scheme will apply to the following categories of applications for licences to import the above-mentioned Capital Goods:—

(i) Applications of an aggregate value of Rs. 25,000 (f.o.b.) or over for any single project with any project subsidiary thereto.

(ii) Applications from holders of a 'C.G.', or 'C.G.P.W.' licences for importation of additional plant and machinery, irrespective of its value, when required for the project for which the original licences were issued.

(iii) Applications for importation of capital goods for stock and sale valued at Rs. 1,00,000 (one lakh) (f.o.b.) or over even when the value of an individual unit required is less than Rs. 25,000 (f.o.b.).

3 The following points should especially be noted:—

(a) A separate notice has been issued re-defining the classes of goods which will fall within the scope of the Heavy Electrical Plant Licensing Schemes. Applications for goods falling in 'H.E.P.' category will be dealt with outside the scope of the Capital Goods Licensing Scheme.

(b) Such articles of iron and steel as are classified under Part I of the Import Trade Control Schedule have now been entirely excluded from the scope of the Capital Goods Licensing Scheme. Applications for such goods should, therefore, be made in the usual way direct to the Steel Import Controller, Calcutta.

(c) Applications for import of goods classified as Capital Goods should be made in the special form prescribed for the purpose and not in ordinary Import Trade Control form and submitted in duplicate as follows:—

(i) For import of cotton textile plants and machinery and hosiery and knitting machinery falling under Serial Nos. 4 and 5 of Part III of Import Trade Control Schedule as stated in paragraph I above—to the Deputy Chief Controller of Imports (Capital Goods), Bombay.

(ii) For import of all other plants and machinery including machine tools—to the Chief Controller of Imports (Capital Goods), New Delhi.

4 This revised capital goods licensing procedure will have effect from the 20th April, 1948, and will be applicable to imports from all countries including Japan and Germany.

5. Applications received by the respective licensing authorities prior to that date even when falling within the scope of the revised procedure will be dealt with according to the existing instructions.

#### Import of Heavy Electrical Plant—Revised Licensing Procedure and Scope

**No. 21(17)-ITC/48(II).**—Applications for import licences for certain types of electric plants, machines and equipments, *e.g.* Turbo-Alternators, Water-tube boilers, Diesel generating plants, Transformers, Switchgear, Mercury arc rectifiers etc of large capacities or designed for high voltages, are at present dealt with under a special procedure for licensing of imports for Heavy Electrical Plant.

2. It has now been decided to extend the benefits of the special H.E.P. licensing procedure to electric plant and machinery and cognate equipments and materials falling under the undermentioned Serial Numbers of the Import Trade Control Schedule contained in the Government of India in the Commerce Department Notification No. 23-ITC/48 dated the 1st July 1948 in cases where such goods are essentially required for specific electric power projects both for Public Electric Utilities (including Government sponsored and privately owned undertakings) and for power plant equipment (either for generation or transformation of electric power) of factories

Serial Nos. 30, 32, 33A, 33B, 34, 36, 38, 39, 42, 43, 45, 46A and 48 of Part II;

Serial No. 4 of Part III and

Serial No. 65 of Part V.

This list now supersedes the existing list of goods indicated in para. 1 above.

3. All applications for imports of electric plant, machinery and equipments etc. of the type and for the purpose mentioned in para. 2 above and amounting in an aggregate to a value of not less than Rs. 25,000 (f.o.b.) for any single project or a group of connected projects will be treated as Heavy Electrical Plant. Such applications will be dealt with outside the scope of the capital goods licensing procedure and decided by the Chief Controller of Imports in consultation with the Central Electricity Commission, Government of India. Parties requiring H.E.P. licences, in future, should, as far as possible, consolidate their requirements and submit applications in duplicate to the Chief Controller of Imports through the Central Electricity Commission, Government of India, Simla, an advance copy of application being forwarded simultaneously to the former.

4. Application for Heavy Electrical Plant should be made in the same form as that prescribed for import of capital goods, and the revised procedure will be applicable to imports from all sources.

5. Licences against applications falling within the above-mentioned category will bear the distinctive mark 'H.E.P.' but will be issued in the same special pink form as in the case of capital goods licences. Any procedure in force governing the period of shipment in respect of Capital Goods licences will automatically be applicable to 'H.E.P.' licences. These licences can therefore be made valid for shipments within a specified period which may extend up to three years.

#### **Period of validity of future import licences for Capital Goods and Heavy Electrical Plant**

**No. 21(17)-ITC/48(III).**—It is notified for the information of the public that the following procedure is introduced in regard to the validity of import licences to be granted for Capital Goods and Heavy Electrical Plant.

(i) Except in cases referred to in (ii) below, a "C.G." or "H.E.P." licence will be issued with an initial validity period of six months from the date of its issue. These licences will be validated at or before the end of six months and will cover the expected period of delivery of goods provided satisfactory evidence is produced that the order for the goods has been accepted by the foreign suppliers and a firm contract is made within this initial period of six months. The maximum period for which a C.G. or H.E.P. licence will be valid will, however, be three years from the date of its issue.

To make this position clear beyond doubt, licences issued after 20th April 1948 will bear an endorsement as follows:—

"This licence is initially valid for a period of six months from the date of its issue. Its validity will however, be extended to the approximate period of shipment of goods provided satisfactory evidence is produced to show that firm contracts are made for their supply. In no case, however, will the validity period extend beyond three years from the date of issue".

(ii) Where an application is made after a firm order had been placed, licences will be issued valid upto the probable date of delivery, which may extend upto a maximum period of three years, from the date of issue of the licence.

2. It may be noted that this procedure of validating C.G. and H.E.P. licences for long periods has been introduced with a view to enable the importers to place their orders on the suppliers without difficulties and to enable Government to keep a watch on the extent to which licences for Capital Goods and Heavy Electrical Plant are in fact being used.

**Form of application for import of Capital Goods and Heavy Electrical Plant.**

**No. 21(17)-ITO/48(iv).**—The revised form of application for import of Capital goods and Heavy Electrical Plant is published below:—

(To be addressed in duplicate to :—)

NOTE

1. Applicants should fill in all the items in the application to avoid correspondence and delay in the disposal of their application. The licensing authorities have discretion to reject an application if the application is not complete in all respects.

2. Documentary evidence as asked for should be sent along with the application.

3. Any special reasons in support of the application may if necessary, be explained in covering letter attached to the application.

4. Any applicant supplying false or incorrect information may be liable to have his licence cancelled and, in addition, may be debarred from the grant of any Import Licence in future.

**Details of Capital Goods Licensing Procedure**

**No. 21(17)-ITO/48(v).**—1. The Government of India Press note dated the 19th December 1946 stating procedural details for consideration of applications under the Capital Goods Licensing Scheme is republished below:—

"The Capital Goods Registration Scheme which was introduced in December 1944 has been abolished. In future, therefore, it will not be necessary for intending importers of capital goods to apply for prior registration of their requirements. They may now apply straightaway for licences.

Applications for Capital Goods which relate to industries for which post-war planning has been approved by the Government of India will be dealt with in accordance with such plans.

Those relating to industries for which plans have not yet been approved by the Government of India will be considered on merits by the Chief Controller of Imports in consultation with the Government of India, Inter-departmental Capital Goods Imports Committee which meets once a fortnight.

Applications relating to the Cotton Textile Industry which is a planned industry, will continue to be dealt with by the Deputy Chief Controller of Imports, Bombay and those relating to other capital goods will be dealt with by the Chief Controller of Imports as heretofore. The definition of the term "Capital Goods" will remain the same as at present.

This change has been made with the object of expediting disposal of applications."

2. As regards unplanned industries, applications for import of Capital Goods are considered on merits on the basis of their general essentiality and the usefulness of the undertaking to the economy of the country. With regard to the planned industries applications for import of capital goods may be accepted only if the proposed undertaking fits into the approved plans of industrial expansion and stabilization.

**Procedure for revalidation of existing Capital Goods and H.E.P. Licences**

**No. 21(17)-ITO/48(vl).**—The Government of India Public Notice dated the 12th December 1947 issued by the Chief Controller of Imports stating procedural details for revalidation of C.G. and H.E.P. licences is republished below:—

"It is hereby informed that the announcement contained in this office Public Notice of 25th November 1947 does not apply to import licences—marked "C.G.", "C.G.P.W." or "H.E.P.". The position regarding revalidation of such licences is governed by the Commerce Ministry Press Note of July 25, 1947 which is reproduced below:—

"Automatic revalidation of import licences marked C.G. (Capital Goods), C.G.P.W. (Capital Goods Post War) and H.E.P. (Heavy Electrical Plant) is no longer in force. Holders of such

licences which have expired whether originally granted upto or valid until June 30, 1947, should therefore apply for revalidation, if shipment of goods has still to be effected.

Where, however, these licences have been granted with periods of validity beyond June 1947, they are valid for the periods specifically mentioned and no present action towards revalidation is necessary.

All applications for revalidation should be made to the authorities by whom licences were issued and should be accompanied by satisfactory evidence to the effect that firm orders have been placed abroad and that suppliers have asked for an extension of time.

It should be noted that announcements so far made about revalidation of licences for non-capital goods do not apply to the above-mentioned three categories of imports."

### PUBLIC NOTICE

New Delhi, the 13th August 1948

#### *Revalidation of Capital Goods or H.E.P. Licences*

Detailed instructions were issued in the Commerce Ministry Public Notices of the 10th April 1948 about the period of validity of future import licences for Capital Goods and Heavy Electrical Plant and also the procedure to be followed for revalidation of past licences. According to the current instructions the maximum period for which a Capital Goods or H.E.P. licence will be valid will be three years from the date of issue. No definite instructions have, however, so far been laid down as to the period or periods upto which licences issued prior to the 20th April 1948 will be revalidated. This matter has been engaging the attention of the Government of India and to be in keeping with the general procedure about period of shipment of Capital Goods or H.E.P. licences, a revision in the procedure followed in the matter of revalidation of such licences has been felt necessary. In practice it has been found that revalidation has been permitted by some licensing authorities upto periods as long as 1952-1955 and any such action is not only anomalous but also goes against the basic principles enumerated above.

2. It has accordingly been decided that the procedure outlined below should be adopted in the matter of revalidation of old Capital Goods or H.E.P. licences—

- (a) *Capital Goods or H.E.P. licences which were granted valid upto 30th June 1947 or were automatically revalidated upto that date.*

Revalidation in these cases should be permitted to a period not exceeding December, 1950.

- (b) *Capital Goods or H.E.P. licences which were issued between 1-7-1947 and 19-4-1948.*

The maximum period of revalidation to be permitted in these cases should be upto June 1951.

- (c) *Applications for revalidation of Capital Goods or H.E.P. licences, which were valid or were revalidated upto 30-6-1947.*

Such applications, if not already made, should be entertained only if made by 30th September 1948 accompanied by necessary documentary evidence about firm contracts having been made and also showing the period of delivery promised by foreign supplies.

- (d) *It is not proposed to review cases where revalidation have been sanctioned already beyond the maximum periods mentioned in (a) and (b) above.*

APPENDIX 'B'

MINISTRY OF COMMERCE

OFFICE OF THE CHIEF CONTROLLER OF IMPORTS

*New Delhi, the 8th January, 1949*

PUBLIC NOTICE

**No. 1(2)ITO/49.**—The Government of India have decided that with effect from the licensing period January-June 1949 applications for import and export licences whether from quota holders, manufacturers, established importers or exporters or newcomers will not be considered unless the applicant has lodged certificates of income-tax Verification in the prescribed form with such of the following licensing offices to which they make their applications for import or export licences:—

1. Chief Controller of Imports, New Delhi.
2. Chief Controller of Exports, New Delhi.
3. Deputy Chief Controller of Imports and Exports, Bombay.
4. Deputy Chief Controller of Imports and Exports, Calcutta.
5. Import Trade Controller, Madras.
6. Export Trade Controller, Madras and
7. Export Trade Controller, Amritsar.

(i) The certificates shall be in the form appended to this Notice. The applicant or his authorised agent should fill in the particulars as required in the form, on as many copies as are required, with one additional copy to be maintained by the Income-Tax Office and present them to the Income-Tax authority specified in (ii) below. The Income-tax authority will then verify the particulars from their record, subscribe the necessary verification certificates on all copies and return them to the applicant, leaving one copy for their record.

(ii) Except in the case of applicants assessed or assessable to tax in the cities of Bombay, Calcutta, Madras and Delhi, the form after being filled in should be sent by the applicant or by his authorised agent for verification to the Income-tax Officer of the Circle, Ward or District where the applicant is assessed or assessable to income-tax. In the case of applicants from Bombay or Calcutta the form should be sent to the Headquarters, Assistant Commissioner of Income-tax in these cities and in the case of those from Madras and Delhi to the Inspecting Assistant Commissioner of Income-tax.

(iii) It will be noticed that the certificate calls for particulars of assessable incomes and taxes paid for a period of last five years including the income-tax year 1948-49. This certificate once produced, will be regarded as valid for all applications for import and export licences made by the applicant throughout the calendar year 1949.

(iv) For proprietary and partnership firms which have commenced business after 1st April 1948, it will be necessary to lodge certificates of income-tax verification with the Import and Export licensing authorities for the proprietor or proprietors and for each of the partners, as the case may be.

(v) The certificate when obtained should be sent by the applicant or his authorised agent to the licensing authority concerned in a cover clearly superscribed "INCOME-TAX VERIFICATION CERTIFICATE". Each certificate after receipt in the office of the licensing authority concerned will be registered and a registration number will be allotted in respect of it and communicated to the applicant who will quote the registration number prominently on all applications for import and export licences made thereafter.

2. The following classes of applicants will be specifically exempt from the necessity of producing the income-tax verification certificate:—

- (a) Such Government and semi-Government institutions as are not liable to income-tax.
- (b) Firms, individuals or companies in Indian States where no income-tax is levied and who have no place of business in the Indian Provinces.
- (c) Companies, public or private, which are incorporated under the Indian Companies Act after the 1st April 1948. Such companies should produce a certificate from the Registrar of Companies concerned showing the date of their incorporation.
- (d) Other types of persons who are not otherwise liable to income-tax, under Section 4(3) of the Indian Income-Tax Act.
- (e) Firms and individuals claiming to be exempt from income-tax should give particulars of their income and state fully the circumstances in which they claim to be exempted from the tax.
- (f) Applicants claiming exemption from the production of income-tax verification certificate will also be allotted registration numbers in the same way as those who are required to produce the Income-Tax Verification Certificate; but the allotment of registration numbers to them will be done at the Headquarters Office of the Chief Controller of Imports, instead of by the respective licensing authorities, and requests for registration by such applicants should be addressed to that office at New Delhi in a cover superscribed "Exemption from Income-tax Verification Certificate". After the registration number has been allotted and communicated to the applicant he should similarly quote that number on his applications for an import or export licence submitted to the proper licensing authority.

3. The Income-tax Authorities concerned have made arrangements for the issue of these verification certificates from the 25th January 1949. Arrangements have been made for the prompt issue of the verification certificates by the Income-tax authorities and for the registration of these certificates by the licensing authorities and for the communications of these registration numbers to all the licensing officers.

4. Nothing stated in this Public Notice applies to applicants for import and export licences for small values not exceeding Rs. 5,000 in c.i.f. and f.o.b. values, respectively.

5. Similarly in the case of persons, firms or companies who had their past import or export business or had been residing in what is now Pakistan and are therefore unable to comply with the requirement of this notice, application for import or export licences will be considered without the production of the income-tax verification certificate. They should, however, produce sufficient evidence to show that they had their place of business or had been resided in what is now Pakistan and are therefore unable to produce the verification certificate.

6. Should Government decide from time to time to exempt any other classes of individuals or firms from having to produce the certificate of income-tax verification, such decision will be duly announced.

G. R. KAMAT, Joint Secy.

PUBLIC NOTICE NO. 12-ITC/49

Clause (c) of paragraph 2 of the Commerce Ministry's Public Notice No. 1(2) ITC/49, dated the 8th January 1949, applies only to companies incorporated under the Indian Companies Act, and not to partnerships.

2. In the case of companies (private or public limited) incorporated under the Indian Companies Act on or after the 1st of January 1949, registration numbers will as heretofore be allotted and the companies given exemption from production of income-tax verification certificates, on receipt of applications from them, only up till 15 days after the date of this Public Notice. In cases where such registration numbers are allotted, these companies should produce to the Chief Controller of Imports within one month of the date of allotment of the registration number to them.

(1) in the case of private companies, income-tax verification certificates of all the shareholders, and

(2) in the case of public limited companies, a certificate to that effect from the Registrar concerned.

In the event of failure to produce the documents required above within the specified period of one month the registration number allotted will be cancelled.

3. Applications for registration received from companies (private or public limited) incorporated under the Indian Companies Act on or after the 1st January 1949, will not be considered after 15 days of date of this Public Notice unless they are accompanied by income-tax Verification certificates of all the shareholders, or a certificate from the Registrar concerned as the case may be.

## PUBLIC NOTICE NO. 25/49-CCI

It has been suggested by certain representative trade associations that importers and exporters should not be called on to disclose their precise assessments and income-tax payments to the import and export licensing officers, even if such information is handled with due secrecy by these officers. The Government of India has accepted this suggestion and have decided that only one copy of the certificate in the form prescribed in this office Public Notice No. 1(2)-ITC/49, dated the 8th January 1949 need be presented to the Income tax authorities for their verification and record and that copies of certificates required for furnishing to the Import and Export Licensing authorities should contain only the following particulars in lieu of items 6 and 7 of that form as shown below:—

- (a) Reference No. (or G. I. R. No.) of the assessment.
- (b) Whether maximum income-tax paid during the past five years was:—
  - (i) Below Rs. 100.
  - (ii) Between Rs. 100 and Rs. 1,000.
  - (iii) Between Rs. 1,000 and Rs. 5,000.
  - (iv) Between Rs. 5,000 and Rs. 10,000.
  - (v) Above Rs. 10,000.

*Note.*—The above entries may be completed also in the cases of firms registered under Income tax Act with reference to the tax payable by the firm if assessed as an unregistered firm.

In case no final assessment has been made, it should be stated whether tax paid in advance (or payable) on the basis of returns filed under Section 22(1) or (2) and (23) (B) 18A (3) of the income-tax act was:—

- (i) Below Rs. 100.
- (ii) Between Rs. 100 and 1,000.
- (iii) Between Rs. 1,000 and 5,000.
- (iv) Between Rs. 5,000 and 10,000.
- (v) Above Rs. 10,000.

## APPENDIX 'F'

## PRESS NOTE

## UNAUTHORISED IMPORTS

## Severer Penalties to be imposed

The Government of India has decided to subject unauthorized imports (those not covered by general or specific licence) to severer penalties than hitherto in respect of goods covered by Parts II, III, IV and V of the Import Trade Control Schedule. The following briefly is the procedure proposed forthwith to be followed:

Cases regarding unauthorized imports will be finally dealt with by the Customs authority at the ports of Madras, Bombay and Calcutta.

In cases where importers claim to have import licences to cover the goods imported but are unable to produce these licences owing to simultaneous arrival of goods on a single licence at different ports, clearance permit may be granted on the importers executing bonds, or letters of guarantee, acceptable to the Collector of Customs in their discretion.

Regarding unauthorized imports from soft currency countries, the goods will be confiscated with or without the option of payment of fine in lieu. For the second and subsequent offences by the same party, the fine will be progressively increased. Imports of goods on the prohibited list will however be confiscated without option of redemption.

In respect of goods originating in or consigned from dollar and hard currency areas, all unauthorized imports, including goods imported in excess of value of licences granted, will be confiscated without the option of redemption. In respect of items of machinery, however, excess imports over the value of licences will not be absolutely confiscated but will be treated in the same way as unauthorized imports from soft currency sources and dealt with accordingly. Where goods are ordered to be confiscated or allowed release on payment of penalty, importers will be given the option of re-exporting the goods within 3 months from the date of import on payment of a suitable penalty under certain conditions.

At certain ports, Customs clearance permits have in the past been issued for goods which are authorized to be released after payment of penalties. Customs clearance permits will not hereafter be necessary and are not to be issued unless specifically required by importers. If any permit is issued, it will be with the concurrence of the Reserve Bank of India.

No payments will be permitted ordinarily to exporters abroad in respect of unauthorized importation, and any amount which an importer might have to pay to such an exporter will be required to be paid into the blocked account in his name in the Reserve Bank of India.

Reputed contravention of the Import Trade Control Regulations by individual importers or associated firms will be severely dealt with. In addition to the penalties imposed on such firms for specific imports, the firms are likely to be debarred from obtaining further licences.

Importers are requested to observe the Import Trade Control Regulations carefully. In particular, they are warned that unauthorized imports from dollar and hard currency areas will be confiscated without the option of redemption.

Ministry of Commerce.

- NOTE.—1. Applicants should fill in all the items in the application to avoid correspondence and delay in the disposal of their application. The Licensing authorities have discretion to reject an application if the application is not complete in all respects.
2. Documentary evidence as asked for should be sent along with the application.
3. Any special reasons in support of the application may, if necessary be explained in a covering letter attached to the application.
4. Any applicant supplying false or incorrect information may be liable to have his licence cancelled and in addition may be debarred from the grant of any Import Licence in future.

## APPENDIX 'H'

(The following rules should be carefully observed by applicants to ensure that their applications receive proper and prompt attention.)

1. All the information required in the application form should be furnished in a legible manner.
2. With regard to correct classification of the goods, specially with a view to find out whether the goods were, or are, in Open General Licence or not, Collectors of Customs at the ports may be consulted.
3. Full description with complete details and end use of the goods should be furnished. If possible, descriptive literature and catalogues should also be sent.
4. (a) One application should be made for import of goods falling under each serial number of the Import Trade Control Schedule, if for import from one group of countries.
- (b) Where one Serial Number covers a number of different articles, the applicant should give a list of articles which he desires to import. In case of spare parts of an article, a detailed list of spare parts desired to be imported should be given.
- (c) Where the goods are to be imported from different groups of countries, separate applications should be made. In case of imports from different countries in the same group, details of imports desired from each country should be shown preferably in a sheet attached to the same application. However there is no objection to a batch of applications being made simultaneously giving cross-reference as in each to the other applications made.
- (d) Where the goods are to be imported at more than one port, the value of goods desired to be imported at different ports should be given separately.
5. (a) Actual consumers, i.e., those who require the goods for use as industrial raw materials or accessories should produce a certificate from the Director of Industries of the Province in which their factory is situated or from the Development Officer or the D.G.I. & S., New Delhi, to show their past annual consumption of the goods required and their manufacturing capacity.
- (b) Where the firm has been only newly started and has no past annual consumption the certificate should show probable requirements and the basis on which they have been estimated.
6. Figures of past imports should be for any one of the financial years 1937-38 to 1948-49 in which the firm may happen to have the best imports from all sources taken together, or from the particular group of countries, as the case may be, as required in the public notice. With regard to the evidence of such imports, quota certificates were issued during July-December 1948 or January-June 1949 by all the licensing authorities and these may be enclosed, except where imports in 1948-49 are desired to be taken as the basis for the calculation of the quota. Unauthorised imports i.e. imports made without valid licence (special or Open General Licence) should not be included in the statement. Where a quota certificate had not been obtained or for any reason it is desired that imports of any other year than the one for which the quota certificate was

issued be taken into account, Triplicate copies of the Customs Bills of Entry for Home Consumption should be produced in proof of the import: Where these Bills of Entry are not available, invoices supported by Customs Receipts and Bank drafts may be produced. In the absence of these documents, a certificate from a Registered or Chartered Accountant in the form annexed herewith may be produced.

7. Where the goods are required for importation from dollar or hard currency countries full justification for such imports should be given. It should be stated whether any efforts were made to import the goods from any soft currency country and if so, what they were and with what results.

8. The Income-tax Verification Certificate as prescribed in the Public Notice, dated the 8th January 1949 should be furnished and the Registration No. or Exemption Registration No. allotted should be quoted.

9. New Comers who have not imported the goods in any year between 1937-38 to 1948-49 inclusive should furnish a Bank Certificate or copies thereof duly certified by a Magistrate or other Gazetted Officer of Government, or a Chartered or Registered Accountant.

10. It should be noted that licences are not transferable and any person selling the licence or violating any of the conditions subject to which a licence is given is liable to prosecution and also to be debarred from issue of further licences.

11. Applications for licences should be signed by the proprietor, partner, managing director of the firm or by any person duly authorised to sign any legal declarations on behalf of the firm. The position held by the person signing the application should be clearly stated.

 Acid Tartaric B. P. excluding preparations thereof.  
 Adrenaline excluding preparations thereof.  
 Adrenaline hydrochloride excluding liquor and other preparations thereof.  
 Aethyle Morphine Hydrochloride.  
 Aethyle chloride.  
 Agar excluding emulsions.  
 Aluminium chloride anhydrous excluding preparations thereof.  
 Aluminium Hydroxide excluding preparations thereof.  
 Aletris root excluding preparations thereof.  
 Ammonium carbonate.  
 Amidopyrine B. P. excluding preparations thereof.  
 Amino Acids.  
 Amphetamine.  
 Amyl Acetate.  
 Anaesthetics Surface, regional and general including chloroform but excluding Ether anaesthetic.  
 Angelia Seed excluding preparations thereof.

Antimonii et sodii tartras excluding preparations thereof.  
Antrypol (Suramin).  
Amylocaine Hydrochlor.  
Anti-leprosy drugs.  
Anti-Histamine compounds.  
Anthraquinone B. P. excluding preparations thereof.  
Apomorphine Hydrochloride.  
Arsenic Trioxide excluding liquors.  
Ascorbic Acid excluding preparations thereof.  
Atropine Sulphate and other Belladonna alkaloids.  
Atropine excluding preparations thereof.  
Raw material for Ayurvedic and unani medicines.  
B. A. L. (Dimercaptolpropinol).  
Barbitone soluble B. P. excluding preparations thereof.  
Barium Carbonate.  
Barium Sulphate for X-ray examination.  
Barbiturates excluding tablets.  
Benzyl Benzoate  
Benzoin excluding tinctures.  
Benzoic acid and benzoates excluding preparations thereof.  
Bile acids.  
Bismuth carbonate.  
Bismuth Sulcylate excluding preparations thereof.  
Bismuth Tribromophenates excluding preparations thereof.  
Bismuth Oxide excluding preparations thereof.  
Bismuth Oxychloride excluding preparations thereof.  
Black cohosh root excluding preparations thereof.  
Blaud Pill.  
Blood Plasma.  
Boric acid and borates excluding preparations thereof.  
Brilliant Green.  
Bromethol.  
Bromo-iso-Valeryl Carbamide excluding preparations thereof.  
Broom tops excluding preparations thereof.  
Butes root.  
Cadmium Bromide excluding preparations thereof.  
Calcium gluconate excluding tablets and ampoules.  
Calcium-glucono-galacto gluconate.  
Calcium Colloidal preparations for Parenteral use.  
Calcium levulinate excluding preparations thereof.  
Calcium Saccharate excluding preparations thereof.  
Calcium Glycerophosphate excluding preparations thereof.  
Carbon tetrachloride.  
Calomel B. P. excluding preparations thereof.

Calciferol excluding preparations thereof.  
Carbachol.  
Carbromal.  
Calumba.  
Cascara Sagrada excluding extract cascara sagrada.  
Carotene B. (Provitamin A) excluding preparations thereof.  
Carbazole excluding preparations thereof.  
Carbon Disulphide Tech. excluding preparations thereof.  
Catechol Tech.  
Chloral hydrate excluding preparations thereof.  
Chloromine T.  
Chlorobutol.  
Chrysarobin and Dithranol.  
Chlorophyll excluding preparations thereof.  
P-Chlorometaxyleneol or cresantol 15 excluding preparations thereof.  
Choline excluding preparations thereof.  
Colchicine.  
Citric acid.  
Cresol excluding preparations thereof.  
Creosote from wood.  
Dental anaesthetics.  
Diodone.  
Diphenan.  
Dischlorophenarsen excluding preparations thereof.  
Digitalis and active principles of digitalis.  
Dimethionine,  
Emetine Hydrochloride.  
Enzymes.  
Ergot and its alkaloids excluding extract ergot liquid.  
Eserine excluding preparations thereof.  
Ethanolamine excluding preparation thereof.  
Extract of Red Bone Marrow.  
Extract of Male Fern.  
Extract Felicis Liquid.  
Ferri Glycerophosphate excluding preparations thereof.  
Fluoresceine soluble.  
Formalin.  
Gentian Violet.  
Glandular preparations and Hormones, excluding adrenaline extract  
pituitary liquid and liquor.  
Glycerophosphates excluding preparations thereof.  
Glyceryl Trinitrate.  
Haemoglobin preparations.  
Heparin.

Hexamine.

Histidine.

Histamine and anti histaminic drugs.

Hormones-natural, synthetic and analogues excluding liver extract, extract pituitary, liquor Adrenalin.

Homatropine hydrobromide.

Homoeopathic medicines.

Hydautoin and its derivatives.

Hyoscine hydrobromide excluding preparations thereof.

Hypophosphites excluding preparations thereof.

Hydrocarpus esters.

Hydrogen peroxide.

Hydrochloride of abutyloxyinchoninic acid diethylethylene diamide (Percaine, Nupercaine).

Insulin all forms.\*

Inositol excluding preparations thereof.

Iodophthaleinum.

Ipecacuanha (excluding extract Ipecac liq. & Pelvis Ipecac Opif).

Lactose excluding preparations thereof.

Laptazol.

Lacithin excluding preparations thereof.

Lithium Citrate.

Lobeline.

Magnesium Hydroxide excluding preparations thereof.

Magnesium peroxide excluding preparations thereof.

Magnesium Trisilicate excluding preparations thereof.

Medical contraceptives.

Mercurochrome.

Mercury Ammoniated excluding preparations thereof.

Mercuric Oxide excluding preparations thereof.

Mercuric Chloride excluding preparations thereof.

Mercurous chloride excluding preparations thereof.

Methionine excluding preparations thereof.

Methyl Salicylate excluding preparations thereof.

Methyl Testosterone excluding preparations thereof.

Methylsulphonal.

Mersalyl.

Menthol-Racemic excluding preparations thereof.

Menthol excluding preparations thereof.

Neoarsphenamine, Sulpharsphenamine and analogous arsinecal products—  
excluding preparations thereof.

Nikethamide (Anacardone, Coramine etc.)

Nitrous Oxide.

Niacinamide excluding preparations thereof.

Organic Antimony Compounds excluding Urea Stibamine.  
Organic Arsenic Compounds excluding Carbarsone.  
Oxophenarsen excluding preparations thereof.  
Oxyquinoline Pot. Sulphate excluding preparations thereof.  
Para Amino Salicylic Acid\*.  
Paraldehyde.  
Paraffin Liquid.  
Paraffin Molle.  
Paraffin Hard.  
Paraffin Soft.  
Penicillin\*.  
Pepsin.  
Pentothal Sodium.  
Phenothiazine.  
Phenobarbital excluding preparations thereof.  
Phenobarbitone Soluble B. P. excluding preparations thereof.  
Phenazonum B. P. excluding preparations thereof.  
Phenol excluding preparations thereof.  
Pentamethylenetorrazol excluding preparations thereof.  
Phenolphthalein.  
Phenylmercuric Acetate.  
Phenylmercurio Nitrate.  
Phenytol Sodium.  
Phenacetine excluding preparations thereof.  
Physostigmine Salicylate.  
Pituitary (posterior Lobe) excluding extract pituitary Liquid.  
Potassium Bicarbonate B.  
Potassium Iodide B. P.  
Potassium Guaiaco Sulphonate excluding preparations thereof.  
Potassium Thiocyanate excluding preparations thereof.  
Proflavine.  
Procaine Hydrochloride.  
Propylpara-hydroxy Benzoate excluding preparations thereof.  
Pyridoxine.  
Quinidine Sulphate.  
Quinoline excluding preparations thereof.  
Resorcinol excluding preparations thereof.  
Russell's Viper Venom excluding anti-venom serum.  
Riboflavin excluding preparations thereof.  
Salol.  
Sera & Vacines Toxins, antitoxins etc. (excluding cholera Vaccine,  
T.A.B. Vaccine, Anti-rabic Vaccine, B. C. G. Vaccine and anti-  
Venom serum)  
Sodium Bicarbonate B. P.

## APPENDIX N

List of articles falling under Serial Number 110 of Part IV and 22, 29 and 31 of Part V which will be licensed for imports from Dollar Area, Western Germany, Switzerland and Hard Currency Countries.

1. Anhydrous Ammonia.
2. Acetic Acid.
3. Arsenic Oxide.
4. Aromatic Chemicals.
5. Borax.
6. Calcium Carbide.
7. Freon.
8. Laboratory Chemicals (chemically pure and reagents for use in laboratories).
9. Methyl Chloride.
10. Magnesium Carbonate high and Magnesium insulating materials.
11. Potassium Hydroxide.
12. Potassium Ferrocyanide.
13. Sulphur Dioxide.
14. Special types of Accelerators, softeners and antioxidants.
15. Thorium Nitrate.

NOTE :—If any chemicals other than those listed above are required by any manufacturers applications will be considered only if special justification is given in detail for such imports.

Sodium Pentonucleotide.  
Sodium Salicylate excluding preparations thereof.  
Sulpha drugs\*.  
Sodium Thiopentone.  
Sodium Cacodylate excluding preparations thereof.  
Sodium perborate excluding preparations thereof.  
Strophanthin.  
Stibophene.  
Streptomycin\*.  
Sulphone group of drugs for treatment of leprosy\*.  
Suramin.  
Sulphaguanidine\*.  
Sulphamaerzine\*.  
Sulphanilamide\*.  
Sulphapyridine\*.  
Sulphathiazol\*.  
Sulphur Chloride B. P. C. excluding preparations thereof.  
Terpene Hydrate.  
Tetrachlorethylene excluding preparations thereof.  
Theobromine Salicylate excluding preparations thereof.  
Theobromine.  
Theophyllin cum Butylenedismin.  
Thiuracil and Methylthiuracil.  
Thiamine Hydrochlor excluding preparations thereof.  
Thiodiphenylamine.  
Thyroid.  
Trypan Blue.  
Tryparsamide.  
Tuberculin.  
Tubecurarine Chloride.  
Urea.  
Vitamins and Vitamins preparations in tablets, Liquid, injectible or Capsule form including Folic Acid and its preparations (other than tablets) but excluding Cod-liver oil and other Fishliver oils\*.  
Zinc Cargonate.  
Yeast Powder Medicinal excluding preparations thereof.

## APPENDIX R

Sub.—Procedure for receiving applications for import licences from New-comers during July-Dec. 1949

1. The Government of India have decided that applications for import licences from new-comers in the trade should be considered only in respect of items mentioned in the annexed Schedule and subject to the procedure hereafter mentioned.

2. For the purpose of this notice, new-comers in the trade are defined as persons other than—

- (i) those who are actual consumers of raw materials which are required to be imported for their own use,
- (ii) those who have imported the commodities concerned during any financial year between 1937-38 and 1948-49 (inclusive).

NOTE :—As regards dollar and hard currency areas, if applicants have had no past imports from those areas, though having past imports from soft currency areas, will be treated as new-comers.

3. Applications will be entertained only for the articles listed in the Schedule for import from any of the countries indicated therein.

4. Separate applications should be made for goods falling under separate serial Nos. and from different areas. Only one application should however be made for import of goods falling under one Serial number although importation may be desired from different countries in the same area. The quantities and value of goods desired to be imported from different countries should be shown separately in the application. A Bank Certificate should be furnished in the form annexed to the application. In view of the limited exchange allocation applications from those who have not been dealing in the line or in an allied line of trade will not be considered.

5. Applications should reach the Licensing Authorities indicated in the Schedule on or before the 31st October 1949. Applications received after this date will not be considered. It should be noted that all new-comers applications will be considered only after 15th November 1949 and not as they are received.

6. Except to the extent stated in the notice the grant of import licences will be subject to the same general regulations as apply to the licences granted to established importers and others.

7. In view of the limited amounts available for issue of licence to new-comers it may not be possible to grant licences to all applicants. The decision of the Government in regard to the grant of licences will be final.

#### SCHEDULE ATTACHED TO NOTICE RELATING TO PROCEDURE FOR NEW-COMERS APPLICATIONS (APPENDIX R)

List of articles for which applications from new-comers will be received.

NOTE :—In column 3—(A) denotes Dollar Area *viz.* (I) U. S. A. and any territory under the U. S. A. (II) Canada (including Newfoundland) (III) other American Account Countries consisting of Bolivia, Columbia, Costa Rica, Cuba, Dominican Republic, Ecuador, Guatemala, Haiti Islands, Honduras, Mexico, Nicaragua, Panama, the Philippine and Venezuela

(B) denotes Western Germany.

(C) denotes Soft and Medium currency countries *i. e.*, all countries other than those mentioned in (A) & (B) and also excluding Argentina, Belgium & her possessions, Paraguay, Switzerland, Japan and Union of South Africa.

NOTE :—Applications should be made separately for each area of shipment and for goods falling under separate Serial Nos. Where goods are desired to be imported from different countries in the area, the quantity and value desired to be imported from each country should be clearly stated in the application.

NOTE :—For articles which are mentioned in this list but, which fall under Capital Goods and H. E. P. Procedure, new-comers applications should be made only to the extent it is not covered by that procedure.

## APPENDIX 'S'

## PUBLIC NOTICE

## MINISTRY OF COMMERCE

**SUBJECT:** *Licensing of Articles excluded from the scope of O. G. L. No. XV*

**No. 1(20)-ITO/49.**—In the Gazette of India Extraordinary dated the 28th July 1949, certain commodities were excluded from the scope of Open General Licence No. XV. Subsequently on the 25th August 1949, the entire Open General Licence No. XV was cancelled.

2. For items excluded from the scope of Open General Licence No. XV on the 28th July 1949, it has already been announced that special licences will be granted only in cases where irrevocable letters of credit have been opened in respect of the goods on or before the 27th July 1949, valid for shipment even after the 13th August 1949, and the goods concerned could not be shipped before that date. The applications for these goods have already been received in the office of the Chief Controller of Imports and are receiving consideration.

3. In respect of the items which continued to be covered by the Open General Licence No. XV until its cancellation on the 25th August 1949, and which were not included in Open General Licence No. XVI, it has already been announced that clearance without import licence will be allowed if the goods are shipped on or before the 15th September 1949. This date is final except that special licences will issue in respect of the firm commitments made by importers on or before the 25th August 1949, where such commitments are covered by irrevocable letters of credit which have been opened in respect of the goods on or before that date, valid for shipment of goods beyond 15th September 1949, provided applications are made in the form prescribed in this notice to the Deputy Chief Controller of Imports Calcutta (OGL XV Concessions) in respect of Part II goods; to the Deputy Chief Controller of Imports, Bombay (OGL XV Concessions) in respect of Part III goods and to the Chief Controller of Imports (OGL XV Concessions) New Delhi, in respect of Parts IV and V goods so as to reach the licensing authorities on or before the 30th September 1949. Applications should bear the words "OGL XV Concessions" prominently at the top. It is to be noted that what is stated in this paragraph applies only to cases where irrevocable letters of credit have been opened on or before the 25th August 1949, for shipment beyond that date and the goods could not be shipped on or before the 15th September 1949. A certificate from the Exchange Bank concerned showing the number, the date, the amount and the validity period of such Letters of Credit should be enclosed. The Bank certificate should also show by whom and in whose favour the letter of credit was opened and what portion, if any, has been used for shipment on or before the 15th September 1949.

4. The special licences issued against the above commitments will be valid for shipment only during the period of validity of shipment of goods under the letter of credit. No permission will be given to extend the period of validity of credit to permit shipment after the expiry of the date of the letter of credit. No period of grace will be allowed against these special licences.

5. As already announced, consignments of categories of goods formerly included in Open General Licence No. XV, where they are covered by irrevocable letter of credit may be shipped during the shipment validity period of the letter of credit pending issue of special licences. Their clearance through customs will be allowed on the importers' executing a letter of guarantee and complying with the same conditions as were laid down in the

Press Note dated the 20th June 1949, for the clearance of goods covered by letters of credit for Open General Licence No. XI goods.

6. Where commitments have been made for goods, while the particular item was on the O.G.L. XV but no irrevocable letters of credit have been opened it may not generally be possible to grant any concession licences but if the firms or individuals concerned apply for licences in accordance with the procedure detailed herein, such applications will receive consideration.

(a) Applications should be accompanied by the necessary documents in proof of a firm order having been placed and accepted before the 28th July 1949 or the 25th August 1949; as the case may be on which date the item was removed from the Open General Licence.

(b) The following will not be accepted as evidence of firm contracts *viz*:--

(i) Acceptance letters issued by local agents of foreign manufacturers or shippers or suppliers;

(ii) proforma invoices from foreign suppliers; and

(iii) a declaration by such foreign suppliers of having accepted orders where this declaration is of a date subsequent to the 28th July 1949 or the 25th August 1949, as the case may be, according to whichever date is applicable to the particular item;

(c) A declaration from the applicant stating that the goods, for which the special licence is asked for, constitute the outstanding balance remaining to be shipped after 15th September 1949 against the firm contract, should accompany the application;

(d) Applicants should, in addition, furnish a bank certificate to show the usual method of payment on which business was carried out by them with particular overseas manufacturers, shippers or suppliers with whom the contracts have been made and also any correspondence with the suppliers to indicate precisely what their past business relations have been with the particular suppliers;

(e) The applications in respect of goods falling in Part II of the I.T.C. Schedule should be made to the Deputy Chief Controller of Imports (O.G.L. XV Concessions) Calcutta, in respect of Part III goods to the Deputy Chief Controller of Imports (O.G.L. XV Concessions) Bombay and in respect of Part IV and V goods to the Chief Controller of Imports (O.G.L. XV Concessions) in each case so as to reach the licensing authority on or before the 30th September 1949;

(f) The applications received in accordance with this paragraph will be examined and consideration given to the question whether, to what extent and subject to what conditions these commitments should be covered by the issue of special licences. The decision will be taken in respect of each category of goods after the applications which are supported by evidence of letters of credit for the same category of goods have been received and considered; and

(g) The Government of India desire it specifically to be noted that they reserve for themselves full discretion to decide later whether or not a special licence should be granted in any individual case or in any particular class of cases and to determine the amounts for which special licences will be granted.
